*Thank you for your interest in the Military Road School Donnesa Lucas Memorial Scholarship Fund Awards Program.*

- A sequence of credit or non-credit courses that lead to licensure or certification*
- A registered apprenticeship program*

*These awards are offered to assist students who plan to enroll or are enrolled in an accredited post-secondary trade or vocational program. Eligible applicants must use the scholarship funds toward the cost of books, career-related equipment, and other education-related expenses.*

*Attached is an application form for the 2026-2027 school year. Please note that this form cannot be submitted electronically; it must be downloaded and forwarded, together with the required documentation, by regular postal mail. Completed applications must be received by **June 30, 2026**. However, if issues beyond your control impact your ability to meet this deadline, please notify us in advance of your intention to apply and the specific reasons for the delay.*

*Also, please be sure to print legibly and to provide all information and documents required, including your official transcript. **Incomplete applications will not be considered and will be returned.** Although previous recipients re-applying for a consecutive year are encouraged to provide information about current and relevant school-related activities, they are not required to submit additional references or a personal statement.*

*Each applicant's eligibility will be considered based solely upon the information submitted in their package. All applicants will be notified by mail regarding their eligibility status, and qualified candidates may be required to schedule a virtual interview during the final selection process. Funds will be made available to awardees in accordance with the terms set forth in the Letter of Agreement, which will be forwarded to them. Upon receipt of the fully executed Letter of Agreement, a check for deposit into the student's account will be mailed to the appropriate financial officer of the program. Accordingly, no exceptions to these procedures for the disbursement of funds will be made unless all parties agree to alternative arrangements.*
